## WRADAPT SALTO

With the SALTO Wall Reader Adaptor, it's possible to integrate with third party devices such as time and attendance, POS etc. The Wall Reader Adaptor is designed to read data from RW carriers and send this to an external device. It is connected on one side to any SALTO Wall Reader, and on the other side to the external device. The interface with the external device. The interface with the external device can be RS232, OMRON and WIEGAND.

### ► Main features

- Configuration by dip switches to control data to be read and the interface either the external device.
- Voltage required: From 7 to 15V from the external device. Can also be optionally powered through the jack connector.
- Connection to the reader: UTP CAT5 cable.
- Connection to the external device: 4 pin block terminal.
- Data read by the WRADAPT: ROM CODE, TRACKS ON KEY, WIEGAND CODE.

## ► About SALTO Systems:

Since its inception in 2001, SALTO Systems has grown to be the market leader in state-of-the-art electronic access control systems.

Recognising the need for a new access control concept, SALTO has developed a wide range of innovative products such as the SALTO Virtual Network and XS4 access control platform, while our electronic escutcheons, wall readers and on-line and off-line control units now control security access for a growing range of end users from Airports to Hospitals, Banks to Government Buildings and Universities to Hotels.

Our brand new HQ and high capacity manufacturing facility is fully equipped with the latest technology for JIT (Just in Time) manufacturing while substantial ongoing investment in a dedicated RD&I team (Research, Development and Innovation) enables us to stay at the cutting edge of modern mechanical, electronic and software design. This, together with ISO 9001:2008 and ISO 14001:2004 certification, ensures rigorous

quality management systems are in place to ensure the design, development and manufacturing of our electronic access control products always strive to achieve the highest possible standards of quality as required by you, our customers and for the environment.

Our distribution partner network now covers more than 70 countries to service international growth, and we have branch offices in Spain, UK, USA, Australia, Canada, Denmark, France, Finland, Germany, Holland, Mexico, Norway, Portugal, Singapore, Sweden and United Arab Emirates with more planned to open in other countries.
