

Señalización interior y exterior

Te damos soluciones

marcal full access

Marcal Full Access es la respuesta señalética para la adaptación de los edificios de uso público a la accesibilidad generalizada. Facilita el acceso, circulación y recepción de información, de cualquier persona con algún tipo de minusvalía, ya sea visual, auditiva, motriz o mental, mediante escritura braille, macrocarácter en relieve, contraste visual, gama de pictogramas, percepción háptica, sistemas de guiado podotáctil o el posicionamiento y altura de los soportes. Las series marcadas con este logotipo pueden incorporar escritura braille.
