EB5008 SALTO

The EB5008 is a device which, when connected to CU5000, CU50EN or CU50ENSVN door controllers, provides the option to manage multi relay switchable output systems such as elevator floor level access, multi shutter and barrier systems, machine switching etc.

► Main features

- Up to 16 EB5008's can be connected in series to a door controller, allowing to manage up to 128 outputs.
- Each output has user access (triggering) rights controlled through the software.
- Compatible with all the SALTO WRM and CU5000, CU50EN OR CU50ENSVN door controllers.
- Current requires 12V/500mA 6VA adaptor included.
- Each board contents 8 built-in relays (Max. of 16 EB5008 board in series, totalling 128 relay outputs).

► Certificates

- CE:89/336/EEC (Electromagnetic Compatibility).
- CE EN 55022 (1994) Class B.
- CE EN 50082(1997).

► About SALTO Systems:

Since its inception in 2001, SALTO Systems has grown to be the market leader in state-of-the-art electronic access control systems.

Recognising the need for a new access control concept, SALTO has developed a wide range of innovative products such as the SALTO Virtual Network and XS4 access control platform, while our electronic escutcheons, wall readers and on-line and off-line control units now control security access for a growing range of end users from Airports to Hospitals, Banks to Government Buildings and Universities to Hotels.

Our brand new HQ and high capacity manufacturing facility is fully equipped with the latest technology for JIT (Just in Time) manufacturing while substantial ongoing investment in a dedicated RD&I team (Research, Development and Innovation) enables us to stay at the cutting edge of modern mechanical, electronic and software design. This, together with ISO 9001:2008 and ISO 14001:2004 certification, ensures rigorous

quality management systems are in place to ensure the design, development and manufacturing of our electronic access control products always strive to achieve the highest possible standards of quality as required by you, our customers and for the environment.

Our distribution partner network now covers more than 70 countries to service international growth, and we have branch offices in Spain, UK, USA, Australia, Canada, Denmark, France, Finland, Germany, Holland, Mexico, Norway, Portugal, Singapore, Sweden and United Arab Emirates with more planned to open in other countries.
